## WHAT'S NEW FOR 2019

– A few words from owners Pravesh & Rahul.

"2018 was a great year for The R Group, we were delighted to welcome on board another venture in September – Raja Rani Restaurant.

We are excited to see what 2019 will bring for us, we've been very busy planning the opening of a new new bar/restaurant called The Crescent in the Finnieston area of Glasgow which we hope to launch early 2019 so watch this space!

Our customers will always be at the focus of everything we do, we want to be known for delivering quality food, comfortable surroundings and warm, personable service, we're still very involved with our businesses on a daily basis which is rare after doing it for as long as we have, but that's what makes it worthwhile for us!"

# Murder Mystery Night at The Eagle Lodge

Join us once again for a night of fun and mystery at The Eagle Lodge as you and your party become the sleuth to solve the murder!

“The Back Room” is one of the Deadly Acts most popular murder mystery events! It’s 1923 New York City, and the inhabitants have not taken well to the act of prohibition. The supply of liquor has gone underground, and criminals capitalise on its trade. At one particular speakeasy a select few gather for an important meeting... but a deadly intention awaits them inside the Back Room.

Enjoy a welcome drink on arrival before the show starts and the scene is set for the murder to take place. You will be served a delicious 3 course meal whilst you and your team discuss the dramatic events which have just unfolded. After dinner is when the investigation begins, and you get to play detective! Question the suspects, consider the evidence and solve the crime!

When the performance has concluded our house DJ will be on hand until 1am!

This is always a SOLD OUT event, we recommend booking early which you can do by calling our events team on 0141 772 5951 (EXT 2) or email [events@theeaglelodge.com](mailto:events@theeaglelodge.com) for more information.

# The R Group in the Community

Here at The R Group Bar & Restaurants we appreciate the importance of giving back to the local community. That is why every year we raise thousands of pounds for local charities, something we plan to continue doing for many years to come!

In May 2019 we will be hosting our 10th annual Sportsman's Dinner in aid of raising much needed funds for our three chosen charities – The Bield, Alzheimers Scotland and Campsie View School. The Sportsman's Dinner is hosted by legendary Tam Cowan who is joined by two hilarious guest speakers. The auction and raffle offer some fabulous prizes to be won, which along with a percentage of donated ticket sales has helped us donate over £60,000 to these wonderful charities over the years.

Christmas is a time of year where families can really struggle and a few years ago one of our team came up with the idea to help raise awareness and donations for our local food bank. This is now an annual tradition here at The R Group. Each December we host Christmas Jumper Day where all our staff donate an item to the collection!

Here at The R Group we like to show our support for the brave men and women who make up our armed forces, many of whom risk their lives on a daily basis to defend our nation under challenging circumstances. Each year we endeavour to raise as much money as possible to show our appreciation and support. Once again on Armed Forces Day – Saturday 29th June 2019 – we will be donating £1 from every meal sold to the Armed Forces Charity, so to show your support simply come along to any of our venues and enjoy some delicious food and friendly service!
